How do apprenticeships compare with going to university?

University

- Learn in a classroom environment
- 100% in the classroom
- Live away from home
- Take time to think about what you want to do
- Can still be best route for certain subjects / career paths
- Fees to be paid

Apprenticeships

- Learn through doing things
- 80% on the job & 20% in class
- Apply your skills and gain experience in the workplace
- Get on with what you want to do right away
- Training paid for and salary
