Approved by:	Corporation via Standards committee
LT Owner:	Assistant Principal

Admissions Policy

1. Introduction

- 1.1. Long Road Sixth Form College is a state-funded sixth form college and is governed by an independent corporation. The corporation determines its own policies and is solely responsible for student admissions.
- 1.2. Long Road welcomes applications from all students. The college is an open, accepting and diverse community of staff and students where everyone can achieve their potential and no one will be disadvantaged because of their identity, disability or personal circumstances.
- 1.3. Students who are nationals of EU (or EEA) countries, and already living in the UK before Brexit at the start of their programme, will be treated equally to UK residents while the UK remains part of the EU and during any agreed transition period. Once enrolled students will be eligible for funding for the full duration of their study programme.
- 1.4. This policy can be made available in large print and in other accessible formats as requested.

2. Scope

This policy applies to all:

- 16 -18 year-old applicants who are eligible for state funded places applying for a full time programme of study (tuition fees are not charged for UK students who are under 19 on 1st September at the start of their study programme).
- those aged 19 to 24 with an Education Health Care Plan, where Long Road is recorded as the preferred destination, and, providing the college has a suitable programme of study to meet the needs identified and the student meets the entry requirements for the course.

International students should see the International Student Admissions policy.

3. The Application Process and Offers of Places

- 3.1 Long Road has an extensive pre-enrolment process that includes: attending school events, hosting Open Evenings, providing Student Guidance Interviews for applicants, hosting Welcome Days where students attend

- lessons in their chosen courses and individual Enrolment Interviews after GCSE results are received.
- 3.2 All applicants are required to apply using the online application form.
 - 3.3 The college aims to provide all applicants with a guidance meeting where the programme of study and subject choices will be discussed, however, these can only be confirmed at enrolment after GCSE results have been verified.
 - 3.4 Applications received by the published deadline will be prioritised for a guidance meeting.
 - 3.5 Places are offered on the understanding that applicants are fully expecting to attend full-time, for the duration of their course, and are able to participate regularly, safely and appropriately, with reasonable adjustments, if required, in the college curriculum and community.
 - 3.6 Offers of a place to study at Long Road will be made at the guidance interview and will normally be confirmed on the applicant's on-line account within 4 weeks.
 - 3.7 Applicants should accept their place through their online account within 2 weeks of receiving their offer.
 - 3.8 If a student wishes to change any of their course choices after receiving a firm offer, they should contact the Admissions Office as soon as possible. Course change requests will be reviewed but cannot be guaranteed.
 - 3.9 An offer of a place may be paused:
 - whilst the college gathers more information from medical professionals, school referees or others to assure the college that the student is able to benefit from and succeed at college
 - to allow applicants to demonstrate their commitment to studying at Long Road before an offer can be made.
 - 3.10 All offers are conditional and require applicants to meet the required entry criteria for the programme of study applied for and for each subject within that programme
 - 3.11 Applicants who have a history of disrupted education, exclusion, behavioural problems or low attendance may be offered a place subject to probationary conditions attached to the offer, which will be outlined to the applicant at the time of the offer. A decision to admit an applicant under these circumstances will be at the discretion of the Assistant Principal. The probationary period will be set from enrolment until the first half term. During this time learners are monitored for academic ability, attendance, behaviour and performance. The requirements for satisfactory progress must clearly be communicated to the learner and their parents/carers along with any specific actions needed to meet these requirements. During this period students may be asked to leave if the requirements for satisfactory progress has not been met. Learners have the right to appeal by following the appeals procedure outlined in section 8.
 - 3.12 For safeguarding purposes, all applicants are required to declare any criminal convictions.
 - 3.13 Programmes of study and subject choices will be confirmed or adjusted in an enrolment interview after GCSE results are published and the applicant's entry qualifications are confirmed.
 - 3.14 Applicants who do not meet the entry requirements for their original choices will, wherever possible, be offered an alternative programme or course at the college which they are qualified to study.

- 3.15 The offer of a place on a Level 2 programme of study is for one year, and does not automatically guarantee the offer of a place on a course of study in subsequent years.
- 3.16 Long Road reserves the right to withdraw an offer at any stage if an applicant is found to have submitted false or misleading information or has been involved in serious misconduct.

4. Students with Additional Needs

- 4.2 All applicants are requested to disclose, on the application form, any medical conditions, learning difficulties, or physical or sensory disability to enable the College to understand how best to support the student's future learning.
- 4.3 An Education Health and Care Plan completed by the Local Authority will help the College assess a student's need. Applicants should indicate if an EHCP is in process.
- 4.4 Students who disclose additional support needs will be invited to attend a guidance meeting with Academic Support colleagues who are able to provide bespoke support and advice.

5. Entry Criteria:

5.1 For all applicants including those from Y10, Y11, 12.

The college will offer places to students:

- who apply by the published deadline
- who demonstrate a positive commitment to further study and the ethos of Long Road
- who are predicted to qualify for the course(s) they intend to study which includes any subject specific entry criteria (the entry criteria for each programme of study and for each course will be published annually on the website).
- whose application has the support of their present school or college
- who fulfil any targets or conditions set at the guidance meeting
- who accept that should they not achieve a Grade 4 in GCSE English or Maths they will be required by the College's funding agreement to enrol and attend these courses until they achieve a grade 4 or higher.
- who have been home educated and hold the required GCSE profile to qualify for the courses they intend to study

5.2 Applicants moving into the area

- **Applications from students in this category will be considered individually.**
- In some circumstances it may be possible to join a two-year course after the induction period, however a match on the syllabus and course content already covered is essential. In most circumstances, students will need to re-start the two-year programme.
- Joining the second year of a two-year course would only be considered in **exceptional circumstances** such as significant safeguarding concerns. Entry would be dependent on places

available, the course(s) entry criteria being met and a positive school/college reference including attendance and performance.

5.3 Applicants who wish to re-start or re-enrol

- **Applications from students in this category will be considered individually.**
- An offer of a restart/re-enrol place will be subject to availability and will be determined by the Assistant Principal. Students in this category may be placed on a waiting list and considered post enrolment in August.
- If the student has had time away from education due to ill health, the Fitness to Study policy will be applied.
- Long Road students at the end of year one, who have changed their intended career aims requiring a revised study programme (e.g. from the Sciences to the Arts) may be considered for a re-start in Y12. This change of programme would need to be supported by an excellent attendance record, positive academic references and support from the Guidance team.
- Former Long Road students who did not complete their programme of study, for reasons other than ill health, will not usually be offered a place at the college in any subsequent year. Students in this position who are considering making an application should contact the Admissions Office at an early stage for advice.
- Applications from students who have been asked to leave their previous post 16 centre will be required to supply a positive school/college reference to support further study. Students in this category will be required to attend an additional guidance interview and their application will be placed on the waiting list and considered post enrolment in August. **The decision as to whether a place will be offered will be the decision of the Vice Principal**

5.4 Applicants who have completed their two-year Level 3 programme.

- Applications in this category are not usually considered.
- In exceptional circumstances it may be possible to join a year 2 class to attend all the scheduled lessons for the entire year. This would be subject to availability, a highly supportive reference and evidence of predicted grades which were higher than the results achieved.
- Enquiries should be made in the week following the publication of A level results by emailing the Admissions Office. In all cases, students will not be considered if they are aged 19 or over on 1st September of the year they start a programme.

6 Applications from students residing overseas

6.1 Applications from students of UK and European Union Nationals from overseas

Applicants from this category that are moving to Cambridge with their family for the duration of the course applied for, will be accepted as long as the student can:

- meet the course entry requirements with particular reference on qualifications gained in their own country.
- demonstrate their competence in English, if required.
- confirm accommodation arrangements and be able to provide the name of a responsible adult living locally. The college does not offer any accommodation nor do we assist in finding appropriate accommodation for any applicant.

6.2 Overseas applications from students from non-European countries

Applicants from this category will be considered on individual merit. If these students have not been living in the European Economic Area for three years prior to the start of the course they may have to pay tuition fees. They should contact the Admissions Officer for further details.

Students must:

- demonstrate that passports have been endorsed to show they have right of abode in the UK for the full duration of their study programme.
- meet course entry requirements with particular reference on qualifications gained in their own country.
- demonstrate their competence in English.
- have confirmed accommodation arrangements and be able to provide the name of a responsible adult living locally. The college does not offer any accommodation nor do we assist in finding appropriate accommodation for any applicant.
- pay full fees, if tuition fees are required, for the entire year before the student commences the course

Fees are agreed annually, details of which is in the college's Fees Policy

7. Over Subscription

If the College were to be oversubscribed, students from partner schools, applying by the published deadline, will be given priority.

The Cambridge Area Partner (CAP) comprises the following group of schools and colleges and post-16 centres in the partnership:

CAP 11-16 schools:

Bassingbourn Village College, Bottisham Village College, Cambourne Village College, Chesterton Community College, Comberton Village College, Cottenham Village College, Ely College, Impington Village College, Linton Village College, Littleport and East Cambs Academy, Melbourn Village College, Netherhall School, North Cambridge Academy, Parkside Community College, Trumpington Community College, Coleridge Community College, Sawston Village College, Soham Village College, St

Bede's Inter-Church School, Swavesey Village College, and Witchford Village College.

CAP schools/colleges with Sixth Form provision:

Bishop Laney Sixth Form, Comberton Sixth Form, Cottenham Village College, Impington International College, Parkside Sixth, The Oakes College Cambridge

CAP special schools:

Castle School, Granta School, Highfield School, the Centre School, The Harbour School, Cambridge AP academy

CAP sixth form colleges:

Hills Road Sixth Form College, Long Road Sixth Form College,

CAP further education colleges:

Cambridge Regional College
College of West Anglia (Cambridge Campus)

Science and technology:

Cambridge Academy for Science Technology

Current CAP guidelines states that applicants may apply to more than one post-16 centre.

Additional priority groups include: Students with a disability or a statemented need Educational Health Care plan which can be best met at Long Road and Looked after Children and Care leavers.

8. Appeal Procedure

To make an appeal with respect to the admissions process, an applicant should write to the Director of Admissions. A letter of acknowledgement will be sent to the complainant within five working days of receipt of the appeal.

Following investigation, a full written response will be sent to the applicant within ten working days (where possible). Should there be a delay, we will notify the complainant, explain why and clarify the revised timescale.

If the applicant is unhappy with the college response, they may make a last appeal to the Principal. All last appeals should be made within 7 working days of receipt of the college's response to the original appeal.

The Principal's decision is final. The Principal will endeavour to supply a written response within 10 working days.
