

Service Changes **Sunday** **16th April 2023**

We will be making changes to some of our Cambridgeshire, Bedfordshire and Busway timetables from **Sunday 16th April 2023**.

A route-by-route overview of the changes can be found below. All routes that are not listed will continue to operate to their current timetables.

Cambridgeshire

Service 5

We will be making timetable amendments to improve this service. Please check the timetable for specific journey details.

Citi 7

The service will continue to operate an hourly peak frequency Monday - Sunday but some slight tweaks have been made to journey times to combat congestion and improve the punctuality of the service. Please check the timetable for specific journey details.

Service 9

The service will continue to operate an hourly frequency Monday - Saturday but some slight tweaks have been made to combat congestion and improve the punctuality of the service. Please check the timetable for specific journey details.

Service 13

The service will continue to operate as usual, with an additional departure at 18:15 from Cambridge to Haverhill to offer passengers more peak services.

Service 904

This service will maintain it's current frequency but some slight tweaks have been made to combat congestion and improve punctuality. Please check the timetable for specific journey details.

Bedfordshire

Service 9/9a/9b

Service 9 will operate according to an improved timetable. This has been extended to serve additional stops;

Newton Street, Shortstown

Potter Meadows, Shortstown

Cardington Film Studios

The 9a&b will run on an increased combined frequency of 30 minutes to Hitchin Monday to Saturday. Please check the timetable for specific journey details.

Busway Route A,B & C:

A

This service will continue to operate a 20 minute frequency throughout the day, but outbound afternoon peak journeys will run via an increased 15 minute frequency.

To combat congestion issues, on inbound journeys towards St Ives Morrison's, the St Ives Industrial Estate will only be served on peak morning journeys. Outbound journeys will be unaffected. Please check the timetable for specific journey details.

B

We will be making slight timetable amendments to improve punctuality. On Sundays, a short B service will be added between St Ives Bus Station and Cambridge City centre to improve frequency. Please check the timetable for specific journey details.

C

In order to improve Busway services A & B, we will be amending the Busway C to reinvest vehicles.

Two journeys will run in each direction during peak school times.

Departing Addenbrookes towards St Ives at 15:35 & 16:05

Departing Huntingdon towards Cambridge at 06:35 & 06:55

This will no longer serve Cambridge Rail Station, passengers can use the Busway A as an alternative service.
