

## Media Level 3 Applied: summer work

Welcome to Applied Media at Long Road.

This summer work is for all 3 courses:

- Extended Certificate (60 credit),
- Diploma (120 credit),
- Extended Diploma (180 credit)

All of our Media courses make use of Google applications in lessons, both to share materials with you, and for you to complete assignments. You will need to set up a new Google account for use in college (even if you already have one: this helps to keep your personal and college accounts separate).

Please click on the link below, which will take you to a Google slides presentation. This has detailed instructions on setting up your account, and a series of tasks we would like you to complete over the summer before you start your course.
